Congress. House. Committee on Foreign Affairs. Subcommittee on National Security Policy and Scientific Developments, 1970 Congress, the President and the War Powers United States. Congress. House. Foreign Affairs, 1970 **Hartrampf's Vocabularies** Gustavus A. Hartrampf, 1929 The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today's world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina

War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

The Cambodian Campaign John M. Shaw,2005 When American and South Vietnamese forces led by General Creighton Abrams launched an attack into neutral Cambodia in 1970 the invasion ignited a firestorm of violent antiwar protests throughout the United States dealing yet another blow to Nixon s troubled presidency But as John Shaw shows the campaign also proved to be a major military success Most histories of the Vietnam War either give the Cambodian invasion short shrift or merely criticize it for its political fallout thus neglecting one of the campaign s key dimensions Approaching the subject from a distinctly military perspective Shaw shows how this carefully planned and executed offensive provided essential support for Nixon s decent interval and peace with honor strategies by eliminating North Vietnamese sanctuaries and supply bases located less than a hundred miles from Saigon and by pushing Communist troops off the Vietnamese border Despite the political cloud under which the operation was conducted Shaw argues that it was not only the best of available choices but one of the most successful operations of the entire war sustaining light casualties while protecting American troop withdrawal and buying time for Nixon s pacification and Vietnamization strategies He also shows how the United States took full advantage of fortuitous events such as the overthrow of Cambodia s Prince Sihanouk the redeployment of North Vietnamese forces and the late arrival of spring monsoons Although critics of the operation have protested that the North Vietnamese never did attack out of Cambodia Shaw makes a persuasive case that the near border threat was very real and imminent In the end he contends the campaign effectively precluded any major North Vietnamese military operations for over a year Based on exhaustive research and a deep analysis of the invasion s objectives planning organization and operations Shaw s shrewd study encourages a newfound respect for one of America s genuine military successes during the war

The Story of Portugal Henry Morse Stephens,1903

The Vietnam War Geoffrey Wawro,2024-10-01 The first comprehensive military history of the war in Vietnam The Vietnam War cast a shadow over the American psyche from the moment it began In its time it sparked budget deficits campus protests and an erosion of US influence around the world Long after the last helicopter evacuated Saigon Americans have continued to battle over whether it was ever a winnable war Based on thousands of pages of military diplomatic and intelligence documents Geoffrey Wawro s *The Vietnam War* offers a definitive account of a war of choice that was doomed from its inception In devastating detail Wawro narrates campaigns where US troops struggled even to find the enemy in the South Vietnamese wilderness let alone kill sufficient numbers to turn the tide in their favor Yet the war dragged on prolonged by presidents and military leaders who feared the political consequences of accepting defeat In the end no number of young lives lost or bombs dropped could prevent America s ally the corrupt South Vietnamese regime

from collapsing the moment US troops retreated Broad definitive and illuminating The Vietnam War offers an unsettling resonant story of the limitations of American power The Indian Wars of Pennsylvania Chester Hale Sipe,1929 ACCOUNTS OF INDIAN WARS INCLUDING THE INDIAN UPRISINGS FROM 1789 1795 *Portugal* Henry Morse Stephens,1898
