

Taking Time Off In Israel

Joseph Bryant Rotherham

Taking Time Off In Israel:

The Making of Israel's Army Yigal Allon, 2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880s when Jewish communities in Palestine formed their first small self defence groups through the Haganah's clandestine period in the 1920s and 30s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government's military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel's military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel's War of Independence Middle East Journal The development of Israel's armed forces and military doctrine in the context of that country's unique strategic needs Especially interesting are the criticisms of some of the Israeli government's decisions taken just before and during the Six Day War Foreign Affairs An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book's descriptions of individual actions by participants in the first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs

Taking Time Off In Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Taking Time Off In Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taking Time Off In Israel has opened up a world of possibilities. Downloading Taking Time Off In Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taking Time Off In Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Taking Time Off In Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taking Time Off In Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taking Time Off In Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Taking Time Off In Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
