Split Heirs:

Split Heirs Lawrence Watt-Evans, Esther Friesner, 2012-08-13 High comedy low pratfalls and thrilling derring do combine in a magical and fantastic epic about the Ancient and Honorable Kingdom of the Hydrangeans the mighty though rather stupid warrior Gudge and the mysterious Black Weasel Confusion reigns in this often funny frequently precious fantasy about usurped thrones and lost heirs After the Gorgorian barbarians conquer the civilized kingdom of Hydrangea their leader Gudge makes himself king marries Hydrangean Princess Artemisia and settles down to a highly satisfactory life of drinking and debauchery Royal triplets separated at birth because of a Gorgorian superstition that multiple births suggest the mother's infidelity receive very different upbringings The only girl Avena is brought up in the palace as Prince Arbol heir to the throne and a fearsome swordsman One brother Wulfrith is raised by a shepherd although a young ewe is his favorite companion his size makes him a fearsome battler The other brother Dunwin reared by the outlawed wizard Cloutie develops into a talented magician To this basic brew Watt Evans the Ethshar series and Friesner Gnome Man's Land have added a couple of dragons some attempted seductions mistaken identities and misguided spells to produce a lighthearted fantasy Publishers Weekly

European Peasants and Their Markets William N. Parker, Eric L. Jones, 2015-03-08 These essays discuss principal and much debated issues in European agrarian history within the context of the general economic history of northwestern Europe The authors endeavor to explain the phenomena with explicit use of economic reasoning and several of the papers draw on fresh historical source materials The use of economics provides a relevance beyond the specific historical context at the same time making possible a broader understanding of the reasons for the persistence spread and variation of certain peasant practices and forms of organization The topics discussed include the origin persistence and demise of the famous open or common field system of village agricultural organization the development of peasant and rural industry preceding and during the Industrial Revolution and the nineteenth century adjustments of agriculture on the continent to world competition A foreword by William N Parker describes the economic and social setting to which the essays are relevant and an afterword by Eric L Jones relates the papers not only to traditional concerns of economic development and European economic history but also to the history of the European physical and biological environment in the past several centuries Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve

the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
