**Japanese American Positionality in Hawaii and on the Mainland** Stephanie Wössner, 2009-11 Seminar paper from the year 2002 in the subject American Studies Culture and Applied Geography grade A San Francisco State University Ethnic Studies course AAS 710 Critical Approaches language English abstract From the beginning of the Twentieth Century there have been quite a number of watershed events in American as well as World History The term watershed refers to a turning point in history Examples are the Great Depression in the 1930s World War Two in the 1940s the Cold War beginning in the 1950s the Civil Rights Movements in the US and Third World Liberation Movements their international counterparts beginning in the 1960s the downfall of communism and the rise of terrorism in the 1980s and 9 11 in 2001 Those watersheds have had political social and economic consequences on different groups and in different spheres

The Turning Point That Changed Everything Wallace R. Pratt,2009-12 In every person s life there comes a moment in time when circumstances or events require decisions and responses that greatly determine the future This book has no design to be another volume on leadership techniques Rather it is a candid exploration of those unexpected turns birthed out of the experience of being confronted with a reversal of circumstances in the life of an individual Frankly it is a study about the drama of life The intention of the author is to give a sincere and straightforward examination of why turnabouts often get high jacked and fail to live up to people s expectations Even more individuals will find a plea for courage and faith when things do not occur as they once envisioned they would Consequently it is a clarion call for courage to go further than some would desire but also a caution to impatient leaders to be watchful of their own intentions to push a change further than would be wise In the end some leaders must be willing to consider a more contemplative life built on valuing people above their own ideological mindset Dr Wallace R Pratt is an administrator minister teacher and writer He lives in Salem Oregon and has been married thirty eight years to his wonderful wife Judy They are blessed with two daughters two great son in laws and five grandchildren Dr Pratt serves as a regional supervisor in the Northwest for his church organization while also serving as an adjunct professor for Gordon Conwell Theological Seminary
