

Staging Anatomies

Dissection and Spectacle in Early Stuart Tragedy

Hillary M. Nunn

Staging Anatomies

**Bharat Raval, Joel W. Yeakley, John H.
Harris (Jr.)**

Staging Anatomies:

Staging Anatomies Hillary M. Nunn, 2017-03-02 Hillary M Nunn here traces the connections between the London public's interest in medical dissection and the changing cultural significance of bloodshed on the early Stuart playhouse stage. Considering the playhouses role within the social world of early modern London Nunn explores the influence of public dissection upon the presentation of human bodies in well known plays such as King Lear as well as in a wide range of often neglected early Stuart tragedies like *The Second Maiden's Tragedy* and *Revenge for Honour*. In addition to dramatic texts the study draws heavily on anatomy treatises and popular pamphlets of the time. Incorporating views of anatomy's significance from a wide range of sources this study shows the ways in which early Stuart dramatists called upon Londoners' increasing fascination with anatomical dissection to shape the staging of their tragedies. *Staging Anatomies* Hillary M. Nunn, 1999

Bodies, Speech, and Reproductive Knowledge in Early Modern England Sara D. Luttfring, 2015-07-16 This volume examines early modern representations of women's reproductive knowledge through new readings of plays, monstrous birth pamphlets, medical treatises, court records, histories, and more which are often interpreted as depicting female reproductive bodies as passive, silenced objects of male control and critique. Luttfring argues instead that these texts represent women exercising epistemological control over reproduction through the stories they tell about their bodies and the ways they act these stories out, combining speech and physical performance into what Luttfring calls bodily narratives. The power of these bodily narratives extends beyond knowledge of individual bodies to include the ways that women's stories about reproduction shape the patriarchal identities of fathers, husbands, and kings. In the popular print and theater of early modern England, women's bodies, women's speech, and in particular women's speech about their bodies, perform socially constitutive work, constructing legible narratives of lineage and inheritance, making and unmaking political alliances, shaping local economies, and defining/delimiting male socio-political authority in medical, royal, familial, judicial, and economic contexts. This book joins a growing critical discussion of how female reproductive bodies were used to represent socio-political concerns and will be of interest to students and scholars working in early modern literature and culture, women's history, and the history of medicine.

Chastity in Early Stuart Literature and Culture Bonnie Lander Johnson, 2015-11-26 In this book Bonnie Lander Johnson explores early modern ideas of chastity, demonstrating how crucial early Stuart thinking on chastity was to political, medical, theological, and moral debates, and that it was also a virtue that governed the construction of different literary genres. Drawing on a range of materials from prose to theatre, theological controversy to legal trials and court ceremonies, including royal birthing rituals, Lander Johnson unearths previously unrecognised opinions about chastity. She reveals that early Stuart theatrical and court ceremonies were part of the same political debate as prose pamphlets and religious sermons. The volume also offers new readings of Milton's *Comus*, Shakespeare's *The Winter's Tale*, Henrietta Maria's queenship, and John Ford's plays. It will appeal to scholars of early modern literature, theatre, political, medical, and cultural history, and gender studies.

Tis Pity She's A Whore Lisa Hopkins,2015-04-10 John Ford's tragedy *Tis Pity She's A Whore* was first performed between 1629 and 1633 and since then its themes of incest love versus duty and forbidden passion have made it a widely studied and performed if controversial play This guide offers students an introduction to its critical and performance history including TV and film adaptations It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and production related resources and an annotated bibliography provide a basis for further individual research

Chastity in Early Stuart Literature and Culture Bonnie Lander,2015-11-26 This book explores early modern ideas of chastity and their cultural political medical moral and theological applications demonstrating how early Stuart thinking on chastity governed even the construction of different literary genres It will appeal to scholars of early modern literature theatre political medical and cultural history and gender studies

Medieval and Renaissance Drama in England, vol. 30 S.P. Cerasano,2017-09-30 *Medieval and Renaissance Drama in England* is an annual volume committed to the publication of essays and reviews related to drama and theatre history to 1642 Volume 30 an anniversary issue contains eight essays three review essays and 12 briefer reviews of important books in the field

TNM Staging Atlas with Oncoanatomy Philip Rubin,John T. Hansen,2013-01-30 The Second Edition of *TNM Staging Atlas with Oncoanatomy* has been updated to include all new cancer staging information from the Seventh Edition of the AJCC Cancer Staging Manual The atlas presents cancer staging in a highly visual rapid reference format with clear full color diagrams and TNM stages by organ site The illustrations are three dimensional three planar cross sectional presentations of primary anatomy and regional nodal anatomy They show the anatomic features identifiable on physical and or radiologic examination and the anatomic extent of cancer spread which is the basis for staging A color code indicates the spectrum of cancer progression at primary sites T and lymph node regions N The text then rapidly reviews metastatic spread patterns and their incidence For this edition CT or MRI images have been added to all site specific chapters to further detail cancer spread and help plan treatment Staging charts have been updated to reflect changes in AJCC guidelines and survival curves from AJCC have been added
