

St George

Hongru Du

St George:

St George's Chapel, Windsor, in the Fourteenth Century Nigel Saul, 2005 A definitive look at the early history of St George's Chapel one of the most important medieval buildings in England Developed and improved by Edward III the Chapel became the spiritual home of his newly instigated Order of the Garter and in the process a new Camelot for the English monarchy St George's Chapel Windsor is one of the most famous ecclesiastical foundations in Britain Established in 1348 its origins are closely bound up with those of the Order of the Garter which was founded by Edward III at the same time The collection of essays in this volume sets Windsor in its context at the forefront of the political and cultural developments of mid fourteenth century England They examine the early history of the Chapel its ties with Edward III's chivalric ambitions the community of canons who served it and its place in the institutional development of the English Church Major themes are the role of the Chapel in the early history of the Order and its influence on other collegiate foundations of the late middle ages and much attention is devoted to the mighty building campaign at the Castle started by Edward III which made Windsor the grandest royal residence of its day

St. George Kathleen Broeder, Dianne Aldrich, 2021-03-29 St George was founded in 1861 when over 300 Church of Jesus Christ of Latter-day Saints pioneer families were called on a mission to settle in a barren desert hundreds of miles from the nearest city Pioneers grew cotton and the warm climate reminded people of the Southern states so it gained the nickname Utah's Dixie The first families strived to cultivate a life and farm on the banks of the Virgin River Isolated from the rest of the country St George continued to struggle until the advent of the automobile gave it a spot on a major travel route As more people started vacationing St George became a tourist destination for its proximity to national parks and later for its sunny days and golf courses

Saint George Liberator Aaron T. Hollander, 2025-12-09 A groundbreaking investigation of how representations of Orthodox Christian saints serve as means of resistance amid cultural and political domination On the eastern Mediterranean island of Cyprus repeatedly conquered and colonized Orthodox Christians have long struggled for political self-determination agricultural sustainability and spiritual wholeness *Saint George Liberator* illuminates the intimate interplay of Christian theology and Mediterranean politics through the lens of St George the martyred soldier of pre-Constantinian Christianity the liberator of captives and protector of the downtrodden the dragonslayer of medieval legend A saint beloved by Christians and Muslims alike St George's representations across many different media are upheld as means of resistance and hope in contexts of domination and suffering The book offers a profound and original reading of Orthodox hagiography demonstrating how hagiography is not only an art form of historical significance but also a vibrant living theology of liberation amid struggles to be whole and free *Saint George Liberator* is interdisciplinary in its methodology and scope deepening its vivid ethnographic narration through conversation with sociological theory and the historical theology that has shaped Orthodox Christian society and consciousness over the course of centuries Enmeshed in the multicultural complexity of the Ottoman and British Empires modern Cyprus offers a case study

of how colonized and colonizing populations may turn to the same religious repertoires for understanding themselves and one another telling opposing stories with shared symbols and claiming the means of interpretation as a path of cultural resistance As a case study in interreligious imagination and the political power of vernacular theology the book speaks of psychosocial dynamics that far exceed their enactment in Cyprus It shows that Christian saints mediated diversely in material and intellectual culture may not only propose magnetic alternatives to the world as it is but also directly aid in forming Christian publics for liberative politics in the present *St. Georges Hospital Reports* London. St. George's hospital, St. George's Hospital (London, England), 1880 *St George* Samantha Riches, 2015-04-15 The image of St George atop his horse lance plunged halfway into a dragon's body is so familiar to us that we take for granted what a long history it has had As Samantha Riches demonstrates in this book St George is easily one of the most transported icons across cultures and his history is the history of myth writ large Traveling in Georgia Greece Malta Belgium Lebanon Palestine Ethiopia Estonia and many other places she offers a fascinating look at one of the most popular mythical figures of all time Riches traces St George in his various appearances and guises across a wealth of religions and traditions From Eastern Orthodox Coptic and Western European Christian traditions she follows his trail into Islam Hinduism Judaism Candomblé and the many pagan systems where he has functioned a symbol of nature springtime and healing Exploring the innumerable ways artists poets and painters have engaged his mythical import she shows him to be at the center of many political divisions where he has been used to advance one agenda or another Drawing together many aspects of the cult of St George Riches provides a fascinating history of an enduring icon

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954, 2002 *St. George of Truro. [A biographical sketch.]* Saint and Martyr GEORGE, 1855

Library of Congress Subject Headings Library of Congress, 2011 *St George* Giles Morgan, 2017-03-23 At the heart of the myths and legends surrounding St George lies the story of an early Christian martyr persecuted by the Roman Empire around the third century AD But England is only one country to have adopted this soldier saint as their patron Others including Germany Hungary and Portugal claim him as their own and there are churches dedicated to him in Ethiopia Egypt and Greece His victory against the dragon can be interpreted as representing the bravery of an individual Christian or the eternal battle between good and evil There are also clear parallels between his battle and those of pre-Christian heroes such as Perseus and Beowulf he is identified with the Islamic hero Al Khidr and he has been closely linked to the Green Man of Pre-Christian Myth

Post Office Guide Great Britain. Post Office, 1893 **The Life of St. George** Edward Clapton, 1903

London John Heneage Jesse, 1871 *Saint George and the Dragon* Geraldine McCaughrean, 2000 The dragon was born in the deepest crevices of a bottomless pool Its father was Evil its mother Darkness and its name was Wickedness This magnificent picture book is reissued with a new cover and brings to life this powerful tale of England's patron saint and his triumph over the evil Dragon
