Literature: U-Z Hans A. Ostrom,J. David Macey,2005 Designed to meet the needs of high school students undergraduates
and general readers this encyclopedia is the most comprehensive reference available on African American literature from its
origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of
writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and
topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres
and geographical and cultural environments in which these writers have worked and the social political and aesthetic
movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces
