Love and Other Responsibilities Lexxie Couper,2020-06-30 Fun and flirty yet emotional and raw Love and Other Responsibilities is a perfect start to a new series Slick Reads It all starts with getting wet Randi Lockwood is kicking butt Her teaching career is going great she s on track to finish her Master s degree and she s fine with being single at thirty five And then BAM suddenly there s a single dad and a whole lotta unexpected feelings in her life Seriously why the hell does her heart get all gooey over the guy And how does she cope with the fact he s everything she didn t know she wanted with a whole lot of baggage thrown in Being a widower and raising two daughters at forty two isn t easy but Aussie Brody Thornton is doing his best His kids are the focus of his life and that s the way it should be Anyway he has no time for romance Even if everything about his daughter s high school teacher makes his heart hammer True love only ever happens once Right What happens when love comes with other responsibilities Because Brody s memories of the past and Randi s plans for the future might destroy any hope of happiness for them as a couple And that s only the start
