Lessons from a Stray Cat Sandi Snyder, 2016-04-12 She was trying to make it on her own She was just a half grown gray cat apparently dumped at the side of the road No one wanted her and no one wanted the responsibility of finding her a home The person who left her there probably carelessly assumed that she was old enough to take care of herself She wasn't doing a very good job of it The Snyder family already had a cat His name was Jabez and he had been adopted from a local animal shelter two years previous to the strays arrival A second cat wasn't part of the Snyders plans God had different ideas When the small stray cat entered their lives the Snyders found themselves the recipients of the unexpected blessings of laughter love and lessons they would never forget Using a warm conversational style Sandi offers the reader a months worth of charming anecdotes about the two cats each coupled with a Bible lesson that warms the heart Young and old alike will delight in this devotional study As a special feature journal pages are included in the back of the book enabling each reader to record his her own spiritual insights thoughts and prayers

To Catch a Cat Heather Green, 2016-07-05 A heartfelt funny memoir about how a kitten rescue project changed one cynic's life Journalist Heather Green was finally putting down roots in shiny buzzing Manhattan She loved her work and threw herself into sixty hour weeks once walking into a subway pole getting a concussion and still going to the office Her new boyfriend Matt lived across the river in a New Jersey town that had none of the glamour of New York She liked Matt a lot yet she wasn't sure what to make of weekends in gritty dilapidated Union City But things changed the summer morning Heather discovered a beautiful stray cat and her three black and white kittens in Matt's neighbor's backyard When she made eye contact with one of the kittens

she felt something she'd never felt before. She and Matt had to save the little animals. Because if they didn't, who would? The crazy world of cat rescue soon drew Heather in. As she and Matt worked together to figure out how to trap, tame, and find homes for their foundlings, she began to question the life she had back in Manhattan. This is the story of how three furry beings taught one woman about love, community, and what truly matters in life. *Cat's Company* Michael Joseph, 1930
