

The Street

Here is a long and silent street.

I walk in blackness and I stumble and fall
and rise, and I walk blind, my feet
trampling the silent stones and the dry leaves.

Someone behind me also tramples, stones, leaves:
if I slow down, he slows;
if I run, he runs I turn : nobody.

Everything dark and doorless,

only my steps aware of me,

I turning and turning among these corners
which lead forever to the street

where nobody waits for, nobody follows me,

where I pursue a man who stumbles

and rises and says when he sees me : nobody.
