

## Water, Water everywhere

Water , water everywhere,  
Ships are drowning everywhere,  
Waves crashing on the sides.  
Water flowing everywhere,  
Lifeboats out ready to steer,  
Lighting flashing side to side ,  
We are in for a bumpy ride.

**Works of John Taylor, the Water Poet Not Included in the Folio Volume of 1630** John Taylor, 1877     *Works of John Taylor the Water Poet Not Included in the Folio Volume of 1630. First[-fifth] Collection* Spenser Society, 1873     *The Poet-historian Qian Qianyi* Lawrence C.H Yim, 2009-05-07 This book is the first English language study of Qian Qianyi 1582 1664 a poet and literary critic during the Ming Qing dynastic transition Although Qian's works constitute some of the greatest achievements in pre modern Chinese lyric poetry they have been largely understudied and are poorly understood Qian was reputed for his own aesthetic that changed the character of late Ming and early Qing poetry His name however was

branded with infamy for his disloyalty to the Ming dynasty when it dissolved. Consequently his works were censored by the Qing court and have been forgotten by most critics until recently Lawrence C H Yim focuses on Qian's poetic theory and practice providing a critical study of Qian's theory of poetic history *shishi* and a group of poems from the *Toubi ji*. He also examines the role played by history in early Qing verse rethinking the nature of loyalism and historical memory in seventeenth century China. Poetry of the Ming-Qing transition is distinguished by its manifest historical consciousness and the effort and give meaning to current historical events an effort characterized by the pathos of introspection and mourning for the past. This pathos translates into what can be called a poetics of Ming loyalism exemplified and championed by intriguingly the later works of Qian Qianyi himself.
