*The Practical Expression of the Church* Witness Lee, 2016-03-01 Witness Lee speaks of the church in *The Practical Expression of the Church* not only from the viewpoint of God s eternal purpose which is the church triumphant

and universal but also from the viewpoint of the believers experience and enjoyment of the riches of Christ which produces a local expression of the church an expression that displays the oneness of the Body of Christ and brings in God s commanded blessing Psalm 133 *Fellowship with the Young People* Witness Lee,1989-02-01 In every age and generation God comes to young people for the carrying out of His move Both the Bible and church history show us that God wants to use young people God comes to young people because they are less likely to be spoiled and preoccupied with the evil things of this age In *Fellowship with the Young People* Witness Lee speaks a frank word to today s youth encouraging them to be useful to God for His purpose by not defiling themselves with the things of this age He charges them to flee youthful lust and to pursue righteousness faith love and peace with proper companions who also have a heart to pursue the Lord Witness Lee also presents a clear vision of the contents of the Lord s recovery which is our heritage of life and truth that must be guarded and preserved and gives practical fellowship on how to advance the Lord s recovery in this age **Christ and the Church** Witness Lee,1972 **The Local Church** Edward W. Klink (III),2021 In today s hyperindividualized culture the author not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world [Vital Factors for the Recovery of the Church Life](#) Witness Lee,1986-11-01 This book covers six vital factors for the recovery of the church life Christ the Spirit the divine life the proper practice of the church life the Spirit s operation through the cross and the transformed human virtues **Adult Leader** ,1930 *Fellowship in the Local Church Today* Chris Segun Onayinka,2025-04-30 What is God doing in these last days He is building strong local churches who learn God s word flow with and follow the leading of the Spirit Kenneth E Hagin We are persuaded that this is God s word for his church and believers Today and last couple of years we have endeavored to put out written audio and video materials encouraging effective participation in the local church In Hebrews 10 24 25 the writer of Hebrews speaks about the importance of not forsaking the assembling together of believers Likewise in 1st Corinthians more than five times Paul refers to the gathering and physical assembly of believers even instructing the same I believe that the information about the local church is critical in the days that we are in The days of technology and remote relationships call for a lot of reflection for believers not to in any way be subjected to such advancement of technology whilst we defy either openly or unconsciously the instructions of the written word In this book we will be studying together and examining the effectiveness of the local church What does the local church mean How does the local church participate in the overall agenda of God for the earth Is the local church just a gathering of friends Is it a gathering of people who have mere mutual interest Or is there something that is heavenly and divine about the way we must gather then subject our minds to what is in the written word We will examine also the different characteristics of the local church and the different features the local church should have I believe that this will inspire Pastors engage and equip those who lead assemblies to know how effectively this should be done In Matthew 28 18 20 the Great Commission can be seen as a clear direction for the institution of the local church Apart from Matthew 18 15 19 where

Jesus highlighted how conflicts should be resolved and the high point of it was in the local assembly Then in Verse 20 he says where two or three are gathered in My name there I am in the midst thereof This shows the importance of the authority and fellowship within the local assembly And this is the crux of this material As believers read we trust that they will participate much more effectively and efficiently in the local assembly and its activities We trust also that as you read this book meditate upon it and pray over it you will have greater participation in the work and ministry of the local assembly and the body of Christ generally in Jesus name And as many that will come in contact with you and because of the knowledge of the Word of God in this book I trust that it will also increase their own participation as well in Jesus name I remain multidimensionally yours Chris Segun Onayinka *The Baptist Missionary Magazine* ,1905 *Baptist Missionary Magazine* ,1906 Volumes 77 80 83 include 13th 83rd 86th 89th annual report of the American Baptist missionary union The Fourth Church ,1921 **The Christian Advocate** ,1928 International Journal of Religious Education ,1924 Federal Council Bulletin ,1923 **The Baptist** ,1920 The American Friend ,1917
