The Lord:

The Lord's Prayer for Today William J. Carl III, 2006-10-03 This volume in the For Today series presents an accessible study of the familiar words of the Lord's Prayer. Well-known preacher and seminary president William Carl III interprets the prayer in light of how it was understood by Jesus' disciples and also the significant role the prayer can play in the life of Christian believers today. The discussion questions at the end of each chapter make this an ideal book for group study in churches or for individual reading and reflection. The For Today series was designed to provide reliable and accessible resources for the study and real-life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today. Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use.

The Lord's Prayer William Barclay, 1998-11-01 The Lord's Prayer is for many people a mere collection of words that has been repeated so often that it has lost its meaning. It is in danger of becoming a repetition devoid of genuine faith. Renowned theological scholar William Barclay delineates and explicates this ancient prayer, showing us the depth of each phrase. He considers both its historical background and its application to our world today. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

The Lord's Supper in Corinth in the Context of Greco-Roman Private Associations Jin Hwan Lee, 2018-11-02 In this socio-historical study, Jin Hwan Lee offers fresh insights on social aspects of communal banqueting practice in early Christ groups, particularly in Corinth. With an emphasis on banqueting practice in Greco-Roman private associations, he attempts to understand social conflicts at communal gatherings of the Christ group in Corinth. His research on the social dynamics of banquet meetings in associations is thorough, fresh, and even striking; readers will be amply rewarded by new ideas in this field. Making use of a wide range of ancient literature and epigraphical and papyrological sources from associations, Lee helps recover the real issues that the Christ group members encountered at their communal meal described in 1 Cor 11:17-34, boldly claiming that current scholarly approaches to these issues at the Corinthian Christ group communal meal are anachronistic. Lee provides a new paradigm for thinking about early Christ movement meals and
