The Lost But Not Forgotten:

Spurgeon's Sermons Volume 17: 1871 Charles Haddon Spurgeon, 2017-11-27 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the seventeenth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God

Ocean Devotions: from the Hold of Charles H. Spurgeon Master of Mariner Metaphors Michael Glenn Maness, 2008-08-28 What a journey The 366 mariner metaphors were pulled from the first 60 volumes of the 63 volume New Park Street Pulpit The Metropolitan Tabernacle Pulpit a set of 3 561 sermons delivered between 1855 1872 We edited freely More it seems than any other metaphor Charles H Spurgeon used the mariner to illustrate the voyage of the Christian in service to God As the trade winds bellow our sails and push us towards our Fair Haven many spiritual challenges wash our decks One masterpiece after another See www.PreciousHeart.net Spurgeon 10 pdf for the 1st ten days

The Complete Works of C. H. Spurgeon, Volume 17 Spurgeon, Charles H., 2015-02-25 Volume 17 Sermons 968 1027 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor

the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon
