California Wine Primer for Slobs John H. Thodos, 1971

Wine and War Donald Kladstrup, Petie Kladstrup, 2002-04-30
The remarkable untold story of France's courageous, clever vintners who protected and rescued the country's most treasured commodity from German plunder during World War II. To be a Frenchman means to fight for your country and its wine. Claude Terrail, owner of Restaurant La Tour d'Argent. In 1940 France fell to the Nazis and almost immediately the German army began a campaign of pillaging one of the assets the French hold most dear: their wine. Like others in the French Resistance, winemakers mobilized to oppose their occupiers, but the tale of their extraordinary efforts has remained largely unknown until now. This is the thrilling and harrowing story of the French wine producers who undertook ingenious, daring measures to save their cherished crops and bottles as the Germans closed in on them. *Wine and War* illuminates a compelling, little-known chapter of history and stands as a tribute to extraordinary individuals who waged a battle that in a very real way saved the spirit of France.
