Winter Eyes

William Hamilton Gibson

Winter Eyes:

Winter Eyes & Past Lives Agastya Sai Nallamala, 2025-05-25 Winter Eyes Past Lives is a poignant collection of poems that explores the timeless nature of love and the memories that transcend lifetimes. The author weaves a delicate tapestry of emotions where every verse resonates with the echoes of shared winters, forgotten promises, and the subtle touch of souls reconnecting. Through vivid imagery and profound introspection, these poems capture the essence of love that remains eternal, no matter how many years or lives pass by. Each poem invites the reader into a world where love is reborn, not in grand gestures but in the quiet moments where frozen hearts slowly melt in the warmth of unspoken connections. In a world where time is both an enemy and a lover, Winter Eyes Past Lives speaks to the deep, often unspoken bond between two souls destined to meet again and again. The poems carry the weight of past lives, the gentle whispers of fate, and the understanding that some connections never truly fade. It is a journey of remembering, a reminder that love doesn't always need to be remembered, as it is felt across every season, every lifetime, and every whisper of the wind. For anyone who has ever wondered about the past lives they might have lived or the loves they might have lost, this book offers a beautiful exploration of how love persists beyond time.

In Winter's Eye Wallace Collins, 2001-03-07 My endeavor here is to validate and document. In Winter's Eye, what causes me to reflect and try to recapture in retrospect my experiences, events propelled then by my pervasive apprehension of frost. This symbolic cold weather chills me to the bone. In Winter's Eye, which has now resurfaced in this brooding but stark and detail reality. Yet, though the metaphorical winter weather doesn't bother me that much anymore, but when I accidentally get onto that slippery patch of racial black ice that camouflages the asphalt Thruway as passable, then it would hit on my wheels and send me careening into a chaotic, irrational verbal spin. My meeting with that icy patch on life's roadway to somewhere or nowhere, for that matter, freewheels my sense of direction as it throws me off my intended course of normal human progress, after which I would struggle to maintain control of myself and the vehicle of my life. I am driving down the road, if not to somewhere in the future, but to obliterate the past where my wheels would swerve and skid helter skelter, luckily into the shoulder of the Thruway for my ultimate survival. It became a necessity for me, then, after meeting head-on the pronounced differences intoned by the assonant and dissonant sounds that racial preference plays out with acrimony, compared with the personal autonomy of my parent culture and the restrictions based on race in another's. My endeavor to be accepted by my peers saw me struggle to adapt and to assimilate the new culture I enter, of which I wrote about in Winter's Eye, or simply to remain not just as an entity but preferably that of a functional individual, as in the following. It is in such an ethnic arena that one jazz dances to the subtle tempo from the racial nuances, afoot as one tries to keep time to that unique racial beat, sufficient to make one assess one's common experiences with others, keeping in mind, meanwhile, how it was in the countries I lived and traveled over the years. In the fall of 1967, it was not a dream I had awakened from, and found myself living a life akin to that of a spectator perched on a ledge in the balcony, gawking at the happenings taking place.

below in the arena My consciousness held sway as I ogled at the vibrant milieu of racial politics happening then in my New York I was not dreaming either when I found myself living in an apartment in Corona Queens as it was my natural evolvment within the trajectory of my migratory path to the Big Apple Neither was I having an out of body experience that spirited me from Jamaica to London then whisked me off to Toronto on a tidal wave and finally being carried aloft by a big silver bird that landed me in the New York slab dab in the middle of the Civil Rights struggle It was a vast struggle then and remains so today though on a higher level as still a living breathing a phenomenon that in the 1960 s had elicited a mad rush of water to ooze from fire hoses manned by assiduous if not sadistic law and order protagonists that swept their fellow American brethren off their feet and tossed them several yards from the offending fray *Winter Eyes* Douglas Florian,1999-10-28 Snowballs ice skating sledding Frozen toes icy slush runny nose Well winter s not all fun and games But well loved best selling poet Douglas Florian will melt your doubts about Mother Nature s chilly grip with twenty eight winter inspired poems accompanied by his crisp trademark watercolor illustrations Young readers are sure to warm up to the uniquely keen vision of this wholly original volume Whatever the time of year *Winter Eyes* is just right for the season List of Notable Children s Books in Lang Arts 00 NCTE and 00 Riverbank Review Magazine s Children s Books of Distinction Award Nominations
