shenanigans tries to keep said talking fox in check and longs for the future that seems lost to her But then she finds out about an old spell that could hold the key to restoring her power Enter Luke Larsen handsome and icy magical historian who arrives on a dark winter evening and just might know how to unlock the spell s secrets Luke has absolutely no interest in getting involved in the madcap goings on of the inn and is definitely not about to let a certain bewitching innkeeper past his walls so no one is more surprised than he is when he agrees to help Sera with her spell Worse he might actually be thawing Running an inn reclaiming lost magic and staying one step ahead of the watchful Guild is a lot for anyone but Sera Swan is about to discover that she doesn t have to do it alone and that the weird wonderful family she s made might be the best magic of all
