How to Write a PhD in Less Than 3 Years Steven Harrison,2010-10 I have purchased the Personalized Back Cover option and this is the text that should appear at the back cover of my book Is there room for yet another book on PhD writing Yes there is Most of the available publications on this topic are contributions from professional academics written from the perspective of supervisors or examiners rather than from that of successful candidates Most of them are too long and not always user friendly while their approach is more often than not too scientific to be accessible to the average candidate It is with these considerations in mind that the author an average doctoral candidate who wrote his PhD thesis while working full time submitting his written work for examination within 24 months of becoming registered as a research student in one of the UK s top Law Schools set out to write this book which is uniquely written from a student s perspective What makes of this work an original contribution is not the novelty of the topic addressed in it but rather its brevity its practical approach its simplicity the background of its author a recent successful PhD candidate and the motivation of its author to help candidates complete their PhD thesis in under three years as the author of this book did This short book contains a wealth of practical advice and guidance on the issues involved in conceptualizing organizing and writing your doctoral thesis so that you can increase your chances of surviving the ordeal of PhD thesis writing with the least amount of pain and with the minimum investment in terms of the time and effort spent pursuing your objective
