## **Yash Chopra:**

Yash Chopra Rachel Dwyer, 2019-07-25 As a charismatic director in the Indian film industry Chopra's name is synonymous with the glamour of the romantic film and a certain style within Indian culture. Spanning four decades his directed features include some of the classic films of Indian film history such as *Deewaar* and *Kabhi Kabhie*. His directorial career began in 1959 with *Dhool Ka Phool* and he has been a major producer since 1973, consolidating his success in the 1990s with a series of huge box office hits including *Dilwale Dulhania Le Jayenge*. He has also worked in other Hindi movie genres directing action movies such as *Mashaal* and a thriller *Darr*. This book discusses in depth his work with the Hindi megastar Amitabh Bachchan in films such as *Deewaar*, *Trishul*, *Kala Patthar* and *Silsila* and how in his transformation of the look of mainstream cinema in *Dil To Pagal Hai* and other films Yash Chopra has proved to be a tireless innovator within a mainstream tradition. The author integrates this analysis with information about the man and his work based on interviews with Yash Chopra, his family, his colleagues, his stars, his contemporaries and major critics that include views from Amitabh Bachchan, Shahrukh Khan, Shashi Kapoor and Sri Devi. A study of a top contemporary Indian film director. Rachel Dwyer's book also examines the influence on Chopra of predecessors such as Raj Kapoor and how his own legacy can be seen in such films as *Kuch Kuch Hota Hai* and younger directors such as Karan Johar and Aditya Chopra. **Focus On: 100 Most Popular 20th-century Indian Actresses** Wikipedia contributors, [Focus On: 100 Most Popular Actresses in Hindi Cinema](#) Wikipedia contributors, **From Bombay to Bollywood** Aswin Punathambekar, 2013-07-24 *From Bombay to Bollywood* analyzes the transformation of the national film industry in Bombay into a transnational and multi-media cultural enterprise which has come to be known as Bollywood. Combining ethnographic, institutional and textual analyses, Aswin Punathambekar explores how relations between state institutions, the Indian diaspora, circuits of capital and new media technologies and industries have reconfigured the Bombay-based industry's geographic reach. Providing in-depth accounts of the workings of media companies and media professionals, Punathambekar has produced a timely analysis of how a media industry in the postcolonial world has come to claim the global as its scale of operations. Based on extensive field research in India and the U.S., this book offers empirically rich and theoretically informed analyses of how the imaginations and practices of industry professionals give shape to the media worlds we inhabit and engage with. Moving beyond a focus on a single medium, Punathambekar develops a comparative and integrated approach that examines four different but interrelated media industries: film, television, marketing and digital media. Offering a path-breaking account of media convergence in a non-Western context, Punathambekar's transnational approach to understanding the formation of Bollywood is an innovative intervention into current debates on media industries, production cultures and cultural globalization. Aswin Punathambekar is Assistant Professor of Communication Studies at the University of Michigan, Ann Arbor. He is the co-editor of *Global Bollywood* (NYU Press, 2008) in the Postmillennial Pop series. *Amitabh Bachchan* Susmita Dasgupta, 2018-03-10 The book is

a set of philosophical essays on Amitabh Bachchan a star like no other in Bollywood Packed into the persona of Amitabh Bachchan is a star a person an expression of his writers directors cinematographers music directors choreographers and most importantly the viewer There are spaces where Amitabh Bachchan as a person spreads over to his screen persona and creates his stardom with many episodes and experiences from his life lived in flesh and blood The book discusses Amitabh against images and appeals of other popular stars like Raj Kapoor Dev Anand Dilip Kumar and Rajesh Khanna and even Shah Rukh Khan The book also discusses many of his films which were a remake of popular films of earlier days as well as many of Amitabh s films which were remade later with the present day stars The book finds that the star is an individual the self image of the viewer and essential in a modernizing society in which the individual is rooted in the institution of family and marriage and must operate within the structures of his class caste religion and even the city in which he lives In his desire to take charge of his life overcome the barriers that stand in the way of a fuller realization of his essence as an individual Cinema can be classified around the star and the principles of classification pertain to the existential questions of the star in his embeddedness into the world and also a desire to transcend those attachments into a purer state of being
