

The image displays the Bordio web interface, which is a Kanban-style project management tool. The main workspace is divided into four columns: 'To Do', 'In Progress', 'Done', and 'Waiting list'. Each column contains several task cards with titles, descriptions, and due dates. For example, in the 'To Do' column, there are tasks like 'Review the design' and 'Finalize the content'. The 'In Progress' column has tasks such as 'Develop the front-end' and 'Test the application'. The 'Done' column shows completed tasks like 'Deploy the application' and 'Gather user feedback'. The 'Waiting list' column contains tasks that are not yet started, such as 'Implement advanced search' and 'Optimize the database'. On the left side, there is a dark sidebar with navigation options like 'Home', 'My calendar', 'Calendar', 'My Projects', and 'Calendar Integration'. In the foreground, a smartphone displays the mobile app version of Bordio, which features a calendar view with a grid of dates and task entries for each day. The app interface includes a top navigation bar with a 'Home' button and a user profile icon, and a bottom navigation bar with icons for Home, Calendar, Projects, and Settings.
