Mark C. Clifton Black,2011 A gospel written to help us experience what we will never fully understand

The Rise and Fall of Imperial China Yuhua Wang,2022-10-11 How social networks shaped the imperial Chinese state China was the world s leading superpower for almost two millennia falling behind only in the last two centuries and now rising to dominance again What factors led to imperial China s decline The Rise and Fall of Imperial China offers a systematic look at the Chinese state from the seventh century through to the twentieth Focusing on how short lived emperors often ruled a strong state while long lasting emperors governed a weak one Yuhua Wang shows why lessons from China s history can help us better understand state building Wang argues that Chinese rulers faced a fundamental trade off that he calls the sovereign s dilemma a coherent elite that could collectively strengthen the state could also overthrow the ruler This dilemma emerged because strengthening state capacity and keeping rulers in power for longer required different social networks in which central elites were embedded Wang examines how these social networks shaped the Chinese state and vice versa and he looks at how the ruler s pursuit of power by fragmenting the elites became the final culprit for China s fall Drawing on more than a thousand years of Chinese history The Rise and Fall of Imperial China highlights the role of elite social relations in influencing the trajectories of state development

[Abingdon New Testament Commentaries: Mark](#) Prof. C. Clifton Black,2011-09-01 Mark s genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God s good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable s interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with

Jesus that make little sense if any The Twelve are craven stupid self serving and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God s Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction
