## Wine Introduction

- ▶ **Wine** (From Latin Vinum) is an alcoholic beverage obtained from the juices of freshly gathered ripe grapes transformed by fermentation.
- ▶ Yeast + Sugar = Alcohol + Carbon dioxide (escapes)
- ▶ Fermentation is a process that
  - ▶ Stabilizes grape juice and protects it from spoiling
  - ▶ Prevents the growth of pathogenic microorganisms
- ▶ Wine is a complex liquid in a constant state of change
- ▶ Produced from the district of origin according to the local customs and traditions

## Wine Introduction

- ▶ Legally speaking, if it's labeled "wine" then it must be made with grapes.

refreshingly informal yet authentic guide to wine written by noted food and spirits columnist Leslie Brenner presents a simple friendly and entertaining alternative to the intimidating tomes on the subject. Cartoon illustrations throughout **The**

**Sommelier Prep Course** Michael Gibson, 2010-04-20 While the subject of wine, beer and spirits continues to grow in popularity there are very few books that approach the subject in an accessible manner and that also contain the pedagogical features needed by instructors. In addition, most books cover the subject of wine only while hospitality students need a broader base of knowledge that also includes beer and spirits. After finishing the book, readers will be prepared to take the introductory certification exams of the Court of Master Sommeliers, International Sommelier Guild and Society of Wine Educators and receive a first level certification. Divided into five parts, Gibson covers wine, beer and spirits. Along with a history of each type of beverage, he also covers how these beverages are produced and manufactured, varieties and styles of these beverages and food pairings. Most importantly, Gibson covers costing, pricing, merchandising, marketing and storing wine along with creating a balanced wine list and table service.

Wine is fantastic and so is learning about it. Once you start getting the pull from discovering new wines, new aromas, new experiences, the ball starts rolling and does not stop as with thousands of options available and many more thousand wines made every year, the road to discovery is endless. I have been organising, delivering and enjoying wine tastings for over 15 years now and I also love educating friends and strangers alike on the wonders of the wine world. I have tasted around 30,000 different wines so far, more or less, and I keep enjoying wine more and more every single day. I would love to share that joy with you.

With *Wine and Wine Tasting*, an introduction, I am giving you a simple and easy-to-understand first step into the wine and wine-tasting world. Starting with some basic information about wine production, how to taste it, what to look for in the

bottle and in the wine itself and the very basics to start enjoying wine and wine tasting I have two very clear things about learning and I am currently working as a lecturer in university learning step by step and enjoy and have fun while you learn and I have tried to reflect this in my book Hence this is an introductory book enough information for you to understand wine and start enjoying drinking it and talking about it This book will help you to recognise what is important about wine and wine labels and will help you to make the most of every wine you try I am trying to keep this book to around 100 pages so it is not only easy to read but it does not take you too long before you can start using the knowledge It contains enough information while eliminating all of most of the technicalisms however if you want to now more and increase your knowledge please check my other books at the end of this one which contain more specialised and technical information
