Winter Child:

Winter's Child Dea Trier Morch, 2005 **Winter's Child** Angela McAllister, 2013 From the Greenaway Medal winner a modern fable of Winter's magic When Tom wishes winter would never end he meets another boy who shares his love of snow and ice Playing together every day Tom hardly notices that spring doesn't come until he realises the terrible effect of unending winter is having on the countryside and his sick grandma His friend is Winter's child and for the seasons to go on the friends must say goodbye until next year AGES 4 years AUTHOR Angela McAllister has written over thirty children's books and in 2011 won the Red House Children's Book Award Her first book with Grahame Leon and the Place Between was short listed for the Greenaway Medal in 2010 Grahame Baker Smith has worked in illustration for twenty years and in 2011 won the Greenaway Medal for his inspiring tale of fatherhood FATHER He has also recently illustrated Pinocchio for The Folio Society SELLING POINTS Hotly anticipated new picture book from 2011 Greenaway Medal winner Created by author/illustrator team behind Leon and the Place Between short listed for the Greenaway Medal **Winter's Child** Christine Shuck, 2024-03-04 Yet fate in its unpredictable way bestows upon Nichole and Jhon a bittersweet miracle when tragedy strikes That miracle is Elizabeth an innocent girl forsaken by her birth mother and then tragically orphaned in a mysterious fire In Elizabeth Nichole and Jhon see the embodiment of their longings for love and family They welcome her into their lives with open hearts believing that the three of them will create the perfect family As the seasons pass Elizabeth's demeanor shifts like the changing weather She is shy and sweet in the spring warm and outgoing in the summer However as autumn descends so too does Elizabeth's temperament veering towards anxiety and withdrawal And with the arrival of the cold dark nights of winter a chilling transformation takes place Elizabeth becomes something entirely unexpected Manipulative Cunning Dangerous Nichole's idyllic dreams of family life quickly crumble as she realizes that the foundation upon which they are built harbors nightmarish secrets In order to protect the ones she loves most she must summon the strength to defy her own instincts and challenge the very principles that define her as a mother In this gripping psychological domestic thriller Nichole's struggle for survival takes center stage as she grapples with the unthinkable and confronts the darkness lurking within her once promising family Recent reviewers have said Everything about Winter's Child is absolutely terrifying I had things to do this week Time sensitive things that needed my attention People in my life that needed caring for Instead I holed up and speed read this compulsively tantalizing little horror thriller novel Highly recommend It's fun it's creepy it's unexpected Would you protect this child at all costs no matter what I loved every second of this thriller Definitely a must read for anyone looking for a thriller suspense book Strap on your seatbelt and prepare yourself for one wild rollercoaster of a ride through this story Excellent book Such an original story line I'm struggling to write this review because I do not want to give anything away You just have to read it for yourself Winter's Child is a taut and chilling thriller from Christine Shuck a gripping page turner in the tradition of Gillian Flynn Willow Rose Jayne Renshaw and Sarah Denzil *Winter's Child*
