Yahwehs Bride:

Yahweh's Bride Gertrude Constance McKinney,2004-07 The devil has indeed deceived the whole world and in this book you will discover his devices on how he accomplishes this Just as the scripture says the whole world is deceived That means all the religious leaders who think that they have the knowledge of the Kingdom of heaven had better take another look They have placed themselves as leaders over millions of people and have led them down the paths of that very deception The Messiah calls them blind guides and those who cannot escape damnation In this book you will take a journey back to the past through an adventurous time machine to witness the true foundation of modern day worship Who is God Who is Jesus Where did his name come from Is God and Yahweh the same person The answers to these questions will challenge you to take a different look at the world around you It will also leave you wondering why truth was covered up In this book the veil of truth will be uncovered By the end of the book you will be compelled to search for Yahweh s bride in the earth Where Yahweh s heart is there you will find His treasure She is truly a diamond in the rough Yahweh bought her with his blood Can you find her

Through the Waters Caleb S. Lewis,2024-06-04 Links to the Exodus and the Day of Atonement are found throughout the book of Genesis These links are so pervasive that though often overlooked they are an integral part of the literary strategy of the author of Genesis The goal of Through the Waters is to aid the reader in understanding the book of Genesis as the author intended taking into account its literary and historical features The goal is not only to understand each section of the book of Genesis on its own but also to understand how each section contributes to the book as a unified narrative As each narrative section is explored and explained the presence of the Exodus motif or pattern and what will be referred to as the Two Goats motif will be highlighted As these motifs are understood in the context of the text of Genesis it will be seen how they contribute to the literary structure and to the tensions expectations and hope created by the book of Genesis

One of the significant advantages of Yahwehs Bride books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.
