**Bird lives!** Ross Russell,1976      [Bird Lives!](#) Ross Russell,1976 This work on Charlie Bird Parker offers a picture of not only of the saxophonist composer as an artist and as a human being but also of zeitgeist and the musical social setting that produced him It shows his complex personality his great appetites the extent of his influence and his work      **The Heritage Series of Black Poetry, 1962-1975** Lauri Ramey,2016-03-03 In 1962 the Heritage Series of Black Poetry founded and edited by Paul Breman published Robert Hayden s A Ballad of Remembrance By 1975 the Series had published 27 volumes by some of the twentieth century s most important and influential poets As elaborated in Lauri Ramey s extensive scholarly introduction this innovative volume has dual purposes To provide primary sources that recover the history and legacy of this groundbreaking publishing venture and to serve as a research companion for scholars working on the Series and on twentieth century black poetry Never before published primary materials include Paul Breman s memoir retrospectives by several of the poets published in the Series a photo documentary of W E B Du Bois s 1958 visit to The Netherlands poems by poets represented in the Series and scholarly essays Also included are bibliographies of the Heritage poets and of the Heritage Press Archives at the Chicago Public Library This reference work is an essential resource for scholars working in the fields of black poetry transatlantic studies and twentieth century book history      **City Miner** ,1978      [Black Power, Yellow Power, and the Making of Revolutionary Identities](#) Rychetta Watkins,2012-01-03 Images of upraised fists afros and dashikis have long dominated the collective memory of Black Power and its proponents The guerilla figure taking the form of the black leather clad revolutionary within the Black Panther Party has become an iconic trope in American popular culture That politically radical figure however has been shaped as much by Asian American cultural discourse as by African American political ideology From the Asian African Conference held in April of 1955 in Bandung Indonesia onward to the present Afro Asian political collaboration has been active and influential In Black Power Yellow Power and the Making of Revolutionary Identities author Rychetta Watkins uses the guerilla figure as a point of departure and shows how the trope s rhetoric animates discourses of representation and identity in African American and Asian American literature and culture In doing so she examines the notion of Power in terms of ethnic political identity and explores collaborating and sometimes competing ethnic interests that have drawn ideas from the concept The project brings together a range of texts editorial cartoons newspaper articles novels visual propaganda and essays that illustrate the emergence of this subjectivity in Asian American and African American cultural productions during the Power period roughly 1966 through 1981 After a case study of the cultural politics of academic anthologies and the cooperation between Frank Chin and Ishmael Reed the volume culminates with analyses of this trope in Sam Greenlee s The Spook Who Sat by the Door Alice Walker s Meridian and John Okada s No No Boy      **Gilbert Sorrentino** William McPherson,1991 The trajectory of Gilbert Sorrentino s literary life can be

tracked in this bibliography from his first short story in a 1956 issue of his college literary magazine through his involvement with the New York publishing scene in the 1960s and 1970s and finally into the 1980s and early 1990 when his work as at the beginning once again is being published by small presses The bibliography treats writings both by and about Sorrentino uniting in one volume exhaustive descriptive analyses of primary works with annotated treatment of secondary sources It thereby serves the needs not only of scholars and collectors interested in the physical production of Sorrentino s books but also of literary critics concerned with matters of reception and interpretation

**Okike** ,1981 *Conversations with Ishmael Reed* Ishmael Reed,1995 As a fiercely independent thinker Ishmael Reed author of Mumbo Jumbo Flight to Canada Reckless Eyeballing and other works of fiction nonfiction and poetry is often in conflict with the culture that appears to have a compulsive need to cage its artists and intellectuals in worn out cliches and labels As a writer who experiments in many forms and genres and one who embraces postmodernism rather than protest and naturalism Reed defies popular conceptions of what American writers particularly black American male writers should be or do In this collection of candid interviews Reed discusses how critics especially from the northeastern establishment have consistently marginalized African American writers by placing them in the either or thing of Christianity and Communism As he does in his writing Reed uses invective satire and humor to show how those people judging American literature have made no attempt to understand recent American writing Bruce Dick is a professor English and African American studies at Appalachian State University Amritjit Singh is a professor of English at Rhode Island College and co editor of Postcolonial Theory and the United States published by University Press of Mississippi in 2000

[Encyclopedia of American Humorists](#) Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature
